

# ISO 18788 Introduction

## ISO 18788 Introduction (PECB)

# PECB

---

### About this Course:

- ISO 18788 Introduction training course enables you to become familiar with the basic concepts of a security operations management system (SOMS) based on the requirements of ISO 18788.

By attending the ISO 18788 Introduction training course, you will understand the importance of SOMS and the benefits that organizations, regardless of their size or sector, can obtain.

---

### Course Goals/Skills:

- Learn the structure of ISO 18788 and its relation to other ISO management system standards
- Develop an overall understanding of the requirements of the standard, as stated in clauses 4-10
