

# ISO 21500 Lead Assessor

## ISO 21500 Lead Assessor (PECB)

---

### About this Course:

- ISO 21500 Lead Assessor training enables you to effectively evaluate a project's performance and determine whether it is being managed based on ISO 21500 guidelines and best practices. This training course will equip you with the necessary skills and expertise to plan, lead and perform an ISO 21500 assessment.

Based on practical exercises, you will be able to master the methods of assessment and become competent to manage an assessment, assessment team and project.

After mastering the necessary expertise to perform this assessment, you can sit for the exam and apply for a "PECB Certified ISO 21500 Lead Assessor" credential. By holding a PECB Lead Assessor Certificate, you will demonstrate that you have the capabilities and competencies to assess a project based on best practices.

---

## Course Goals/Skills:

- Learn how to assess whether the project objectives have been met
  - Acknowledge the correlation between ISO 21500 and other standards and regulatory frameworks
  - Learn how to interpret the guidelines of ISO 21500 in the context of a project assessment
  - Understand the assessor's role to: plan, lead, and follow-up on assessments and accreditation
  - Acquire the competencies of an assessor to: plan an assessment, lead an assessment, draft reports, and follow-up on an assessment
-
