

ISO 22316 Foundation

ISO 22316 Foundation (PECB)

About this Course:

- ISO 22316 Foundation training enables you to learn the basic elements to enhance organizational resilience and manage an organizational resilience strategy as specified in ISO 22316. During this training course, you will be able to understand different concepts of resilience which help an organization to cope with today's dynamic business environment.

After completing this course, you can sit for the exam and apply for the "PECB Certified ISO 22316 Foundation" credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, framework and management approach.

Course Goals/Skills:

- Understand the importance of achieving an enhanced state

of resilience

- Understand the principles that contribute to an organization's resilience
- Understand the concepts, approaches, standards, methods and techniques that enable the effective management of organizational resilience strategy
