ISO 37301 Foundation

## ISO 37301 Foundation (PECB)

PECB

About this Course:

- The PECB Certified ISO 37301 Foundation training course presents the basic concepts of compliance and the requirements of ISO 37301 for a compliance management system (CMS). In this training course, you will learn about the various aspects of a CMS, including the compliance policy, compliance culture, compliance risk assessment, operational controls, performance measurements, leadership and commitment, internal audit, management review, and continual improvement.

  After completing the training course, you can sit for the exam. If you successfully pass the exam, you can apply for the "PECB Certified ISO 37301 Foundation" credential. An internationally recognized "PECB ISO 37301 Foundation" certificate demonstrates that you have the necessary professional capabilities to be part of an ISO 37301 CMS implementation project.
