

ISO 37301 Lead Implementer

ISO 37301 Lead Implementer (PECB)

About this Course:

- The benefits of implementing a compliance management system (CMS) based on ISO 37301 are manifold: helping the organization avoid or mitigate the costs, risks, and damage of noncompliance, ensuring the long-term sustainability of the organization, promoting trust and confidence, encouraging good governance practices, due diligence, and ethically sound business dealings, etc.

The PECB ISO 37301 Lead Implementer training course provides the knowledge needed to establish, implement, manage, maintain, and continually improve a CMS. It aims to provide an in-depth understanding of ISO 37301 requirements, as well as the best practices and approaches used for the implementation and subsequent maintenance of the compliance management system.

The training course enables you to help organizations establish processes needed to adhere

to all compliance obligations and establish controls that proactively prevent noncompliance and contribute to the creation of a culture of integrity, transparency, and openness.

The training course is followed by the certification exam. If you pass, you can apply for the “PECB Certified ISO 37301 Lead Implementer” credential. The “PECB ISO 37301 Lead Implementer” certification validates your professional capabilities and competences to implement a CMS in an organization based on the requirements of ISO 37301.

Course Goals/Skills:

- Gain a comprehensive understanding of the concepts, approaches, methods, and techniques used for the implementation and effective management of a CMS
 - Acknowledge the correlation between ISO 37301 and other standards and regulatory frameworks
 - Gain the ability to interpret the requirements of ISO 37301 in the specific context of an organization
 - Develop the necessary knowledge and expertise to support an organization in effectively planning, implementing, managing, monitoring, and maintaining a CMS
 - Acquire the expertise to advise an organization in implementing CMS best practices
