

PECB CMMC Foundations

PECB CMMC Foundations (PECB)

About this Course:

- The PECB CMMC Foundations training course enables participants to understand the fundamental concepts and principles of the CMMC model.

The PECB CMMC Foundations training course allows you to learn more about the structure of the CMMC model including CMMC levels, domains, capabilities, processes, and practices. You will also gain basic knowledge related to the CMMC ecosystem, the CMMC assessment process and methodology, and the CMMC Code of Professional Conduct.

The successful completion of the training course is followed by an exam. A PECB Foundations certificate demonstrates that you comprehend the CMMC model, are able to interpret the requirements for specific CMMC levels, and have the basic knowledge to help an organization in implementing and managing the requirements of the CMMC model.

Course Goals/Skills:

- Understand the basic concepts, definitions, and approaches of the CMMC model
 - Get acquainted with the CMMC maturity levels, domains, processes, and practices
 - Develop a general understanding of how the CMMC model could be applied in the supply chain of the DoD and the DIB sector
