About this Course:

- The PRINCE2 Foundation course allow you to learn how to effectively manage a project, through one of the world's most recognized project management methodologies, in an environment where you can actively participate and engage with both the material and others around you.
-

Course Goals:

PRINCE2 is a method for managing projects. It helps you work out who should be involved and what they will be responsible for. Our accredited PRINCE2 Foundation classroom course introduces you to PRINCE2, and helps prepare you for the

Foundation examination which assesses whether you can demonstrate sufficient recall and understanding of the PRINCE2 project management method. This course conforms to the PRINCE2 6th Edition syllabus.

By the end of the PRINCE2 Foundation classroom course you should be able to:

- Understand key concepts relating to projects and PRINCE2
- Understand how the PRINCE2 principles underpin the PRINCE2 method
- Understand the PRINCE2 themes and how they are applied throughout the project
- Understand the PRINCE2 processes and how they are carried out throughout the project

Course Format:

Присъствен (Classroom)
Курс в Учебната ни зала
или В Офис на Клиент

Онлайн (Online/Virtual)
Курс във виртуална зала
с инструктор

Course Language Option:

	
Български (Bulgarian)	Английски (English)

You can choose the language in which the training will be conducted – Bulgarian or English. All our instructors are fluent in English.

Student Guides:

The training materials are available in electronic format. They can be used online / offline on any device. Lifetime access.

Lab Environment:

Each student has their own lab environment where the exercises are conducted, part of the course. You do not need to install software on a computer or special hardware requirements. Participants in a face-to-face format in our

Training Center have an individual computer during the training.

At Course Completion:
