

Site Reliability Engineering (SRE) Practitioner

Site Reliability Engineering (SRE) Practitioner™

About this Course

- Site Reliability Engineering (SRE) Practitioner™ Certification accredited by Value Delivery Factory is focused on understanding the Site Reliability Engineering from a practical implementation perspective. The certification provides the participants with the ability to learn and demonstrate competency through a strong understanding of the SRE Principles, Practices, Experiences and the benefits of implementing SRE Practices. Site Reliability Engineering (SRE) Practitioner™ Certification makes them knowledgeable about the elements they will be needing for a successful implementation of SRE Practices
